Success for All

Dear Parents and Carers,

What a fantastic start we've had to the new academic year here at Park Gate Primary School!

The school has been buzzing with energy, and as you may have noticed, the fresh redecoration around the building and outside areas reflects the hard work that took place over the Summer. There's still more to come so keep your eyes peeled for further updates and exciting changes which will be taking place. We are currently in the process of designing our school sensory garden and redeveloping our outside classroom space.

Last year, we placed a strong focus on continuing to enhance the personal development of all our children and we are proud of the progress our school has made. This year, we are continuing that journey. We're thrilled to share that our pastoral support offer is stronger than ever, with two dedicated ELSAs starting their work alongside small groups of children or 1:1s, as well as our very own therapy dog, Freddie, who will start at school this week, will work alongside identified children and small groups to support them in school. Together, we're building an environment where every child feels supported, valued, and ready to thrive and we are really proud of the way our school supports every child in being the best they can be.

To help you stay informed about everything happening at Park Gate, we will continue to share a half-termly newsletter, packed with highlights and updates from across the school. In addition, please continue to check the school website regularly where we will update [Park Gate Primary School Calendar](#), providing a clear and accessible list of key events and upcoming activities, so you can plan ahead with ease.
