

This is me!

Rationale:

It's a new school year and the teachers are super excited to welcome their new classes! We will need to create an exceptional learning environment in order to make this your best year at Park Gate so far! Alongside exploring our Park Gate Values, we will be discussing examples of famous people, who have displayed our Park Gate Values in their own lives in order to inspire us.

THIS
IS
ME

Lead Subject: PDL

We will undertake lots of fun activities to get to know you all really well! This will focus on what it means to be a 'Park Gater'; exploring how our Park Gate Learning Values have been key to the success of both ourselves and others.

Lead Subject: English

We will begin by studying several famous people who have demonstrated our Park Gate School Values in their own lives.

We will then research these inspirational people in depth, writing a paragraph about how these people have managed to display the Park Gate values to achieve incredible things.

Lead Subject: DT

We will be learning how to use different stitches in order to create a personalised cushion to represent ourselves.

Applied Subject: MATHS

We will be exploring our number system and place value in our maths lessons. We will read, write and order numbers up to 1,000,000, exploring how we can mentally add or subtract multiples of 10, 100 and 1000 from any given number.

R.E:

Water as a symbol

P.E:

Lacrosse/Swimming

French:

Revision of Year 4

Applied Subject: Computing

We will be using search engines to research 'Men and Women who have changed the world.' We will also discuss the importance of using the internet safely and discuss strategies for keeping ourselves safe online.

Year 5 Autumn 1
2 Weeks

Home Learning:

Poster - How I have shown our Park Gate Values...
Details to follow...

School Value:

We will be reminding ourselves of all of our Park Gate School values.
