

This is Me!

Year 5 Autumn 1

Rationale:

It's a new school year and the teachers are super excited to welcome their new classes! We will need to create an exceptional learning environment in order to make this your best year at Park Gate so far! Alongside exploring our Park Gate Values, we will be discussing examples of famous people, who have displayed our Park Gate Values in their own lives, to inspire us.

THIS
IS
ME

Lead Subject: PDL

We will be undertaking lots of fun SCARF activities to get to know the children really well. We will focus on being a good friend to others whilst maintaining our own unique personalities and talents.

Lead Subject: English

We will begin by studying several famous people who have demonstrated our Park Gate School Values in their own lives.

We will then research these inspirational people in depth, writing a report about how these people have managed to display the Park Gate values to achieve great things.

Lead Subject: Art

We will be learning how to use different stitches in order to create a personalised cushion about ourselves.

Applied Subject: ICT

We will be using search engines to research 'Men and woman who have changed the world.'

School Value:

We will be reminding ourselves of all of our Park Gate School values.

Applied Subject: MATHS

We will be exploring our number system and place value in our maths lessons. We will read, write and order numbers up to 1,000,000, exploring how we can mentally add or subtract multiples of 10, 100 and 1000 from any given number.

Home Learning:

Short Write - How I have shown a Park Gate Value... Details to follow...

Discrete: R.E:

Water as a symbol

Discrete: French:
Revision of Year 4
Learning

Discrete: P.E:
Hockey Skills
